Chaffee Booster Club

Once a Devil, Always a Devil

As we begin the new year, it is again time to think about our kids and grandkids getting back in the routine of school. For those of us who were blessed to grow up in Chaffee, we can remember walking to school, the swimming pool, Little League, cruising, the Dairy Queen, Maxine's Drive Inn, and Slaughter's Cafe for some of you older alumni.

We had a community and parents that helped us with time and money, and we are asking the Chaffee Alumni as well as parents, grandparents, teachers, and the community to give a little of that back. The Chaffee Booster Club is a great way to do just that! You can join the Booster Club for as little as $25. You can be as active as you want or just join and receive our updates and news via e-mail. Either way, we would love your support!

The Booster Club helps athletic programs with equipment that the school simply cannot budget. The Booster Club does all of this with only a Membership Drive, T-shirt Sales, and the Golf Tournament.

Below is a partial list of athletic equipment purchased by the Booster Club:

FOOTBALL:	blaster, tackling dummy, in-door practice dummy, sled, concussion test, play clock, water wagon

Nothing brings a community together like high school athletics. We would love your support and hope to see you at a game soon! A donation of at least $25 to the Chaffee Booster Club will automatically add you, your spouse, and family members to the membership roster.
